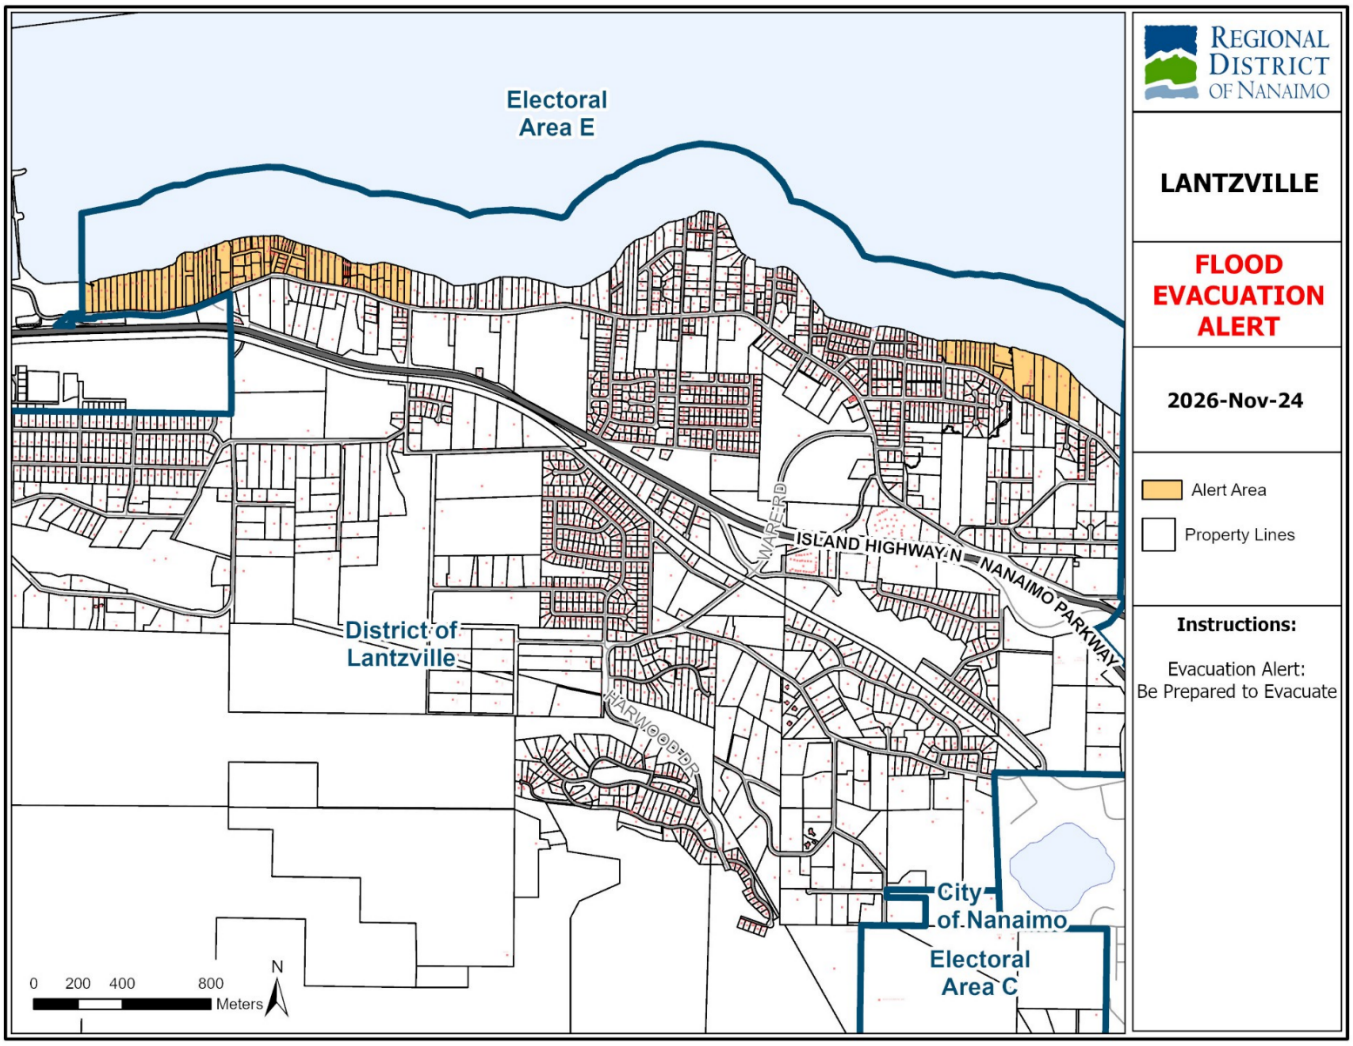
EVACUATION ALERT

Coastal Flooding

Date: **November 24, 2026** Time: **2050 hrs**

This Evacuation Alert is issued by the **District of Lantzville** due to **coastal flooding.**

Because of potential threats to health, safety and the welfare of persons, this Evacuation Alert is issued for the following area:



Please see page 3 for the list of properties in the Evacuation Alert area.

This Evacuation Alert is issued to help you prepare to evacuate your home or property if an Evacuation Order is issued. Residents will be given as much advance notice as possible; however, changing conditions may result in limited notice.

WHAT YOU SHOULD DO

Locate all family members and designate a meeting place outside the Evacuation Alert area in case an Evacuation Order is issued while family members are separated.

Pack essential items such as government-issued ID, medications, important documents (including insurance and mortgage or tenancy information), and supplies for the immediate care needs of dependants.

Prepare to help household members and neighbours who may need assistance evacuating. If assistance is needed, call the RDN at 1-877-607-4111 (8:30 a.m. to 4:30 p.m.).

Prepare to take pets with you and move livestock to a safe area, if possible.

Review your home or tenant insurance policy and contact your insurer to confirm what coverage may be available for lodging and food if you are evacuated because of this event.

Arrange accommodation for everyone in your household. If possible, plan to stay with family or friends, as accommodations may be in short supply.

Emergency Support Services (ESS) may be available to eligible evacuees who need help meeting basic needs such as lodging and food. Create a profile now at ess.gov.bc.ca.

Be prepared to leave immediately if an Evacuation Order is issued. Do not wait for an order if you are in immediate danger. If you evacuate before being directed or authorized, you may not yet qualify for Emergency Support Services, as resources will be focused on those who have been ordered to evacuate.
