Takla Nation Band Council Resolution for Issuance of Evacuation Alert

On 25th June, 2023 at 6:00 PM the Takla Nation Band Council, pursuant to the Authority of the Chief and Council as per its funding agreement with Canada which outlines that Chief and Council “shall at all times provide for the preservation of public health and safety and the protection of the environment and upon determination by the primary response agency issues an **EVACUATION ALERT** for Takla Nation Satellite communities of Buckley House areas and others as the situation changes will be updated.

The **evacuation alert** will remain in effect until:

1. The primary response agency has notified the Takla Nation that the threat to the health and safety of the community members and property has diminished and can be rescinded; or
2. The primary response agency has notified the Takla Nation that the threat to the health and safety of the community members and property has increased and an upgrade to an **evacuation order** is required.

The Takla Nation Band Council will notify community members of the **evacuation alert** via one of the following methods:

1. Door-to-door
2. Telephone
3. Notice posted at critical service buildings i.e.: Band Office, Health Centre, TTP Store
4. Social media and Email

This document has been reviewed and signed by a quorum of Council: three (3) is quorum, as per the following signatures:
