

Number 2023-17

WHEREAS:

On (**July 10, 2023**) at (9:00 pm) the (Nazko First Nation) Band Council, pursuant to the Authority of the Chief and Council as per its funding agreement with Canada which outlines that Chief and Council "shall at all times provide for the preservation of public health and safety and the protection of the environment and upon determination by the primary response agency issues an **evacuation alert** for (Nazko IR 16 and IR 18)(Trout Lake Buncheck).

The **evacuation alert** will remain in effect until:

- the primary response agency has notified the (**Nazko First Nation**) that the threat to the health and safety of the community members and property has diminished and can be rescinded; or
- the primary response agency has notified the (**Nazko First Nation**) that the threat to the health and safety of the community members and property has increased and an upgrade to an **evacuation order** is required.

The (**Nazko First Nation**) Band Council will notify community members of the **evacuation alert** via one of the following methods:

- Door-to-door
- Telephone
- Notice posted at critical service buildings i.e.: Band Office, Health Centre, School, etc.
- Community meeting
- Social media

We the undersigned members of the Council of the Nazko First Nation hereby confirm that the foregoing Band Council Resolution was approved by a majority of the quorum of Band Council present at a duly convened meeting held on

the 10 day of July, 2023.

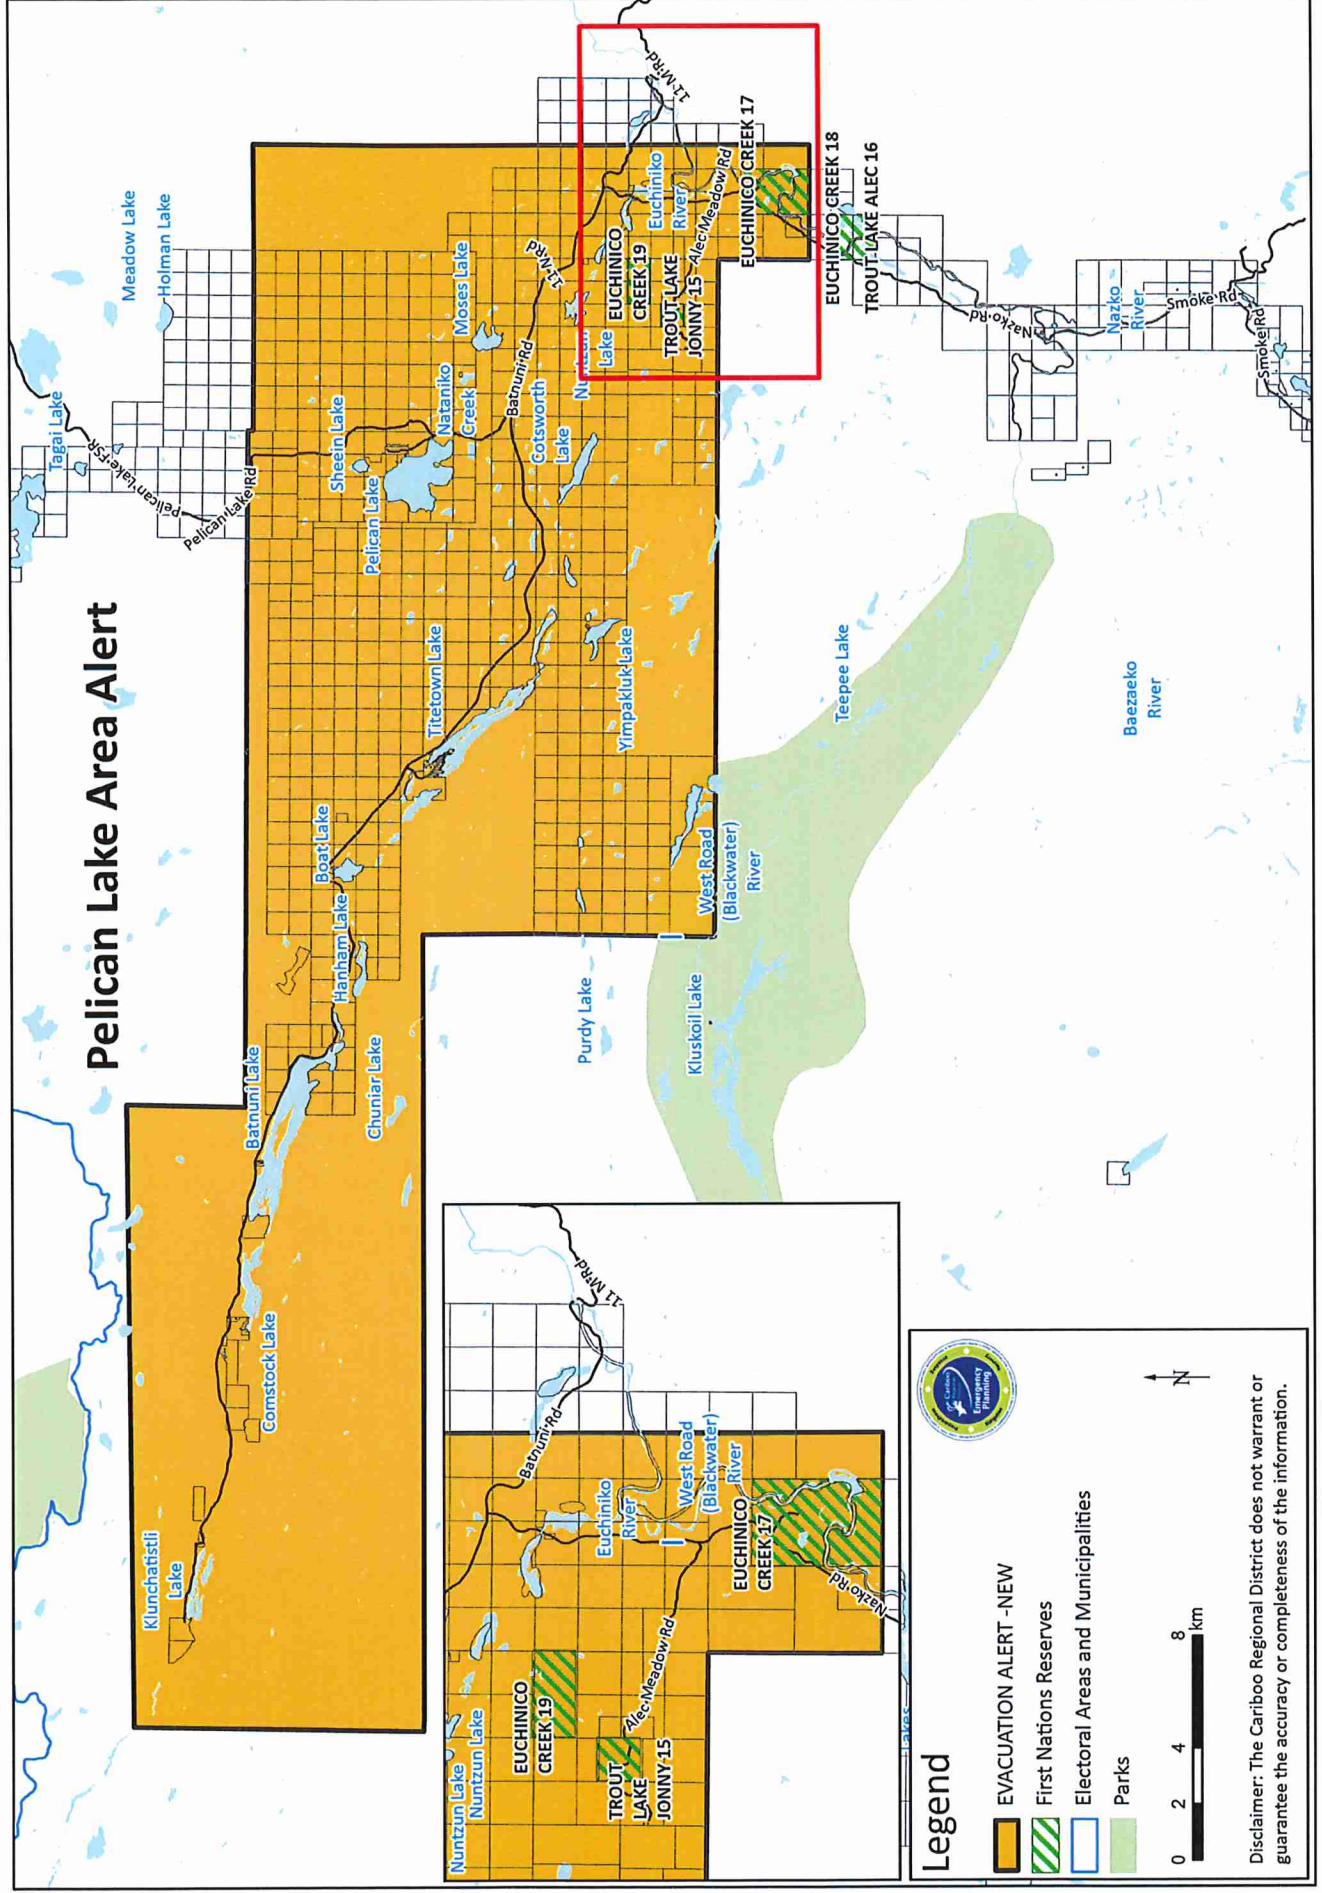

A majority of the quorum of Band Council consists of two members of the Band Council.
