

Notice to Rescind an EVACUATION ORDER to an EVACUATION ALERT

Effective August 1, 2023 at 9:00 a.m. the Tsal'alh Government is rescinding the **EVACUATION ORDER to an EVACUATION ALERT** that was issued for the Tsal'alh Community based on the determination by the primary response agency that the threat level of the Casper Creek Fire has significantly diminished.

The community of Tsal'alh will still be under an **EVACUATION ALERT** due to the Casper Creek Fire until rescinded in writing by Tsal'alh Government.

The Tsal'alh Government will continue to monitor the Casper Creek Fire in the case significant developments occur and the re-instatement of an **EVACUATION ORDER** is required.

This evacuation alert applies to the Tsal'alh community, namely, Tsal'alh Reserves:

- Whitecap 1
- Seton Lake 5A
- Necait 6
- Slosh 1
- Mission 5

Our staff have information to share about what to do when you return home after a wildfire.

Please be safe when travelling home, and follow instructions of our emergency staff and monitors.

Stúcum! (be careful / alert)
