EVACUATION ALERT AMENDMENT

**French Bar Creek Wildfire
July 23, 2026, 1300 hrs**

A reduced **Evacuation Alert** has been issued by the Thompson-Nicola Regional District due to French Bar Creek wildfire. The Amended Evacuation Alert (Alert No. JO-064) issued July 18, 2026 at 1500 hours by the Thompson-Nicola Regional District is hereby **replaced** by this Evacuation Alert, effective as of July 23, 2026 at 1300 hours.

This reduced Evacuation Alert in Electoral Area "E" (Bonaparte Plateau) is now in place as the Blackdome Mine has been upgraded to an Evacuation Order. The amended evacuation alert area is as outlined in the attached map.

This Evacuation Alert is in place to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible prior to an Evacuation Order; however, you may receive limited notice due to changing conditions.

What You Should Do:

- Locate all family members and designate a meeting area outside the evacuation area, should an Evacuation Order be issued while separated.
- Pack essential items for quick departure, such as government-issued ID, medications, eyeglasses, valuable papers (e.g. insurance, credit, and mortgage information), immediate care needs for dependents or pets, and, if time and space permits, keepsakes.
- Prepare a grab-and-go bag with clothing, toiletries, food, water, and medications.
- Arrange to stay with family or friends (if possible).
- Prepare to move disabled persons, children and/ or neighbours, if assistance is needed.
- Prepare to take pets with you and move large animals and livestock to a safe area (if possible).
- If you are a livestock producer, ensure that you have your Premise ID in the event that you require support should an Evacuation Order be issued.
