The Evacuation Alert will remain in place until further notice.

The Evacuation Alert is in effect for the following addresses:

- 402 Ferris Road
- 404 Ferris Road
- 406 Ferris Road

Please see the attached map.

WHAT YOU SHOULD DO WHEN AN EVACUATION ALERT IS IN EFFECT

- Locate all family members or co-workers and designate a safe meeting place in the event that an evacuation order is called.
- Ensure personal Grab & Go kits/backpack(s) are ready, gathering essential items such as medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependents and, if you choose, keepsakes (photographs, etc.). Have these items readily available for a quick departure.
- Consider in advance moving any disabled persons and/or children to a safe area.
- Move pets to a safe area.
- Arrange to transport your household members or co-workers in the event of an evacuation order.
- Arrange accommodation for your family if possible. In the event of an evacuation, emergency accommodation will be provided if required.
- Monitor news outlets for information on location of Reception Centres and status of evacuation orders.

IF YOU HAVE TO EVACUATE

- Follow instructions from local emergency officials.
- Take Grab & Go kits/backpacks.
- If you are instructed to do so, shut off water, gas and electricity.
- Make arrangements for your pets. Local support services will do their best to assist you.
- Wear clothes and shoes appropriate for the conditions.
- Lock your home.

- Follow the routes specified by emergency officials. Don't take shortcuts. A shortcut could take you to a blocked or dangerous area.
- If you have time, leave a note telling others when you left and where you went. If you have a mailbox, you can leave the note there.
- If you are evacuated, register with the local ESS emergency reception center at the Zeballos Fire Hall, 155 Maquinna Avenue, Zeballos, so you can be contacted or reunited with your family and loved ones.
